Success stories

Without fire and water. A migrant from Donetsk provides Ukrainians with delicious and healthy food even in the trenches

Tetiana Chernikova got the idea of producing portioned, ready-to-eat meals when full-scale war broke out. With the EU4Business grant, she launched a modern online store selling healthy dishes that can be stored from one to two years, even without a refrigerator.

The innovator on the Ukrainian IT market reorganizes its internal processes with the EU support

COSMONOVA|NET is one of the largest Internet providers in Ukraine. Under the EU4Business project, the company was provided with business consultants, who analysed its organizational structure and helped determine the ideal vectors for development. As a result, the subscriber base in B2C from 2019 to 2021 grew by 85%, and in B2B by almost 40%.

Producers of traditional Ukrainian cheese go for growth with EU support

To help develop traditional cheese production in Ukraine, the Association of Producers of Traditional Carpathian Highland Cheeses was founded in 2018 with the help of the EU. The project contributes to more inclusive, competitive growth-orientated agriculture that respects the environment, increases rural incomes, and slows down rural-urban migration.
